Subject: Criminal Referrals

Dan,

I read through the Civil-Criminal Enforcement Coordination Policy (April 22, 2019) again and wanted to point to Section A – Sharing information on cases with criminal enforcement potential (page 2). It states that if criminal activity is suspected, civil enforcement staff should promptly share with the SAC and that managers and staff should not wait for regularly scheduled meetings to exchange information. So, I am curious how your meeting with Larry went and wanted to reiterate my willingness and availability to discuss as needed. I am currently working to route the Deseret NOV and the Pine Hope AOC, just have some late edits to both documents.
